

## MATCHING CONTRIBUTIONS

**Double your impact!** Do you want to double your donation to the Sky Warriors Booster Club without it coming out of your own pocket?

Many Austin companies offer a Matching Gifts or Corporate Match program, where your corporation or its charitable foundation matches your contribution to the Sky Warriors Booster Club, dollar for dollar.

**Matching Gifts programs** are a great way for companies or foundations to help support their employees' charities, while non-profit organizations like the Sky Warriors Booster Club get the benefit of a doubled donation.
